NEMESI Summer School

Narration of Explorative Maps and virtual Experience
of architectural Spaces. Imagine Trento

From 30 June to 11 July 2025
Trento, Italy

2-week interdisciplinary Summer school for graphical and visual
enhancement of modern and contemporary architecture in Trento.

TARGET

Senior bachelor's degree students (who have finished the 2nd year) and master's degree students from any background related to architecture, engineering, communication, multimedia design, visual arts, or similar, with an interest in architecture and graphics.

Participants should be confident in English-language use (B2).

LECTURES, SEMINARS AND OTHER ACTIVITIES

- Lectures by international and local experts on:
 - » Modern and contemporary architecture in Trento
 - » Managing of 2D-3D virtual modeling
 - » Architecture in the archives: research and methodologies
 - » Urban and architectural analysis with a gender perspective
- Workshops and group work on:
 - » The critical-analytical restitution of the public buildings of greatest architectural and urban value (modern and contemporary) in the cities of Trento and Rovereto
 - » The construction of a map that graphically describes the travel routes travelled during the two weeks of NEMESI
 - » The setting up of a final exhibition and the organisation of a study day with the involvement of local authorities, national/international experts, local companies and citizens.
 - » Manipulate 3D modeling
 - » Creating videos on architectural heritage
 - » Visualizing 3D model in immersive reality
 - » Creating augmented reality contents
 - » Visits to the main local cultural institutions and events
 - » and more...

SOME GOOD REASONS TO APPLY

- Setting up a real exhibition with the elaborations and models (physical and virtual) made by the participants
- 6 ECTS credits
- Cross-disciplinary approach
- Meetings with national and international experts
- Chance to do extra work with tutoring
- Outdoor activities
- International networking and teamworking
- Social program
- Enjoy the beautiful environment of the Dolomites
